

64th Annual Meeting/Banquet

Stan Gehrt - Featured Speaker "COYOTES"

Stan Gehrt is currently Assistant Professor of Wildlife Ecology and Extension Wildlife Specialist at The Ohio State University, and adjunct Senior Scientist at the Max McGraw Wildlife Foundation. Prior to his current position, he was Director of Research at the Foundation where he focused on urban wildlife research in the Chicago area.

Dr. Gehrt holds a Bachelor of Arts degree from Bethany College (Lindsborg, Kansas), Master of Science degree in Biology from Emporia State University (Emporia, Kansas), and received a PhD in Fisheries and Wildlife from the University of Missouri-Columbia. His research program has focused on various aspects of mammalian ecology, and he has published multiple papers on carnivores and bat ecology.

He is the principal investigator of the largest urban coyote study conducted to date, which began in 2000 and is ongoing (as of 2008), with over 300 coyotes captured and monitored.
